

In the frame of the awareness activities on disability, Dr. Anita Zacharias, pediatrician and Dr. Monika Aly, therapist, from Germany, were invited by the “Malteser Consultation and Service Center” to refer in the training “Autism, a story to share”, which is organized by the Albanian Organization of the Order of Malta.

This training was held on 25 September, 2019, in Lezha and on 26 September, 2019 in Shkodra with the participation of about 60 interested people of various professions.

The purpose of the training was to inform all stakeholders, support teachers, school psychologists, parents, about the role of parent, communication, behavior with children on Autism Spectrum Disorder.

In the end the participants were delivered certificates of participation. After the training, the Albanian Organization of the Order of Malta gave thanks to Dr. Anita Zacharias and Dr. Monika Aly, who voluntarily accepted to lead this useful training.
