

Even this year, during Lent season, as it is in the tradition, on March 8, there was celebrated the Station of the Cross in the Mountain Tarabosh in Shkodra.

This year it was its 10th anniversary organized by the youth group of the Cathedral of Shkodra "Teacher where do you live" (MKB) in collaboration with other catholic youth groups of this Diocese.

Each year the faithful from Shkodra and surroundings climb the mountain of Tarabosh to recall the Passion of Jesus and pray the 14 stops of the Station of the Cross.

On this day the celebration started with the greeting of H.E. Bishop Angelo Massaffra, followed by the greeting of the

parish priest Dom Gjovalin Sukaj. There were many faithful present, young people, and the members of the catholic youth groups. The prayer of the Station of the Cross began at 9.30 am and it lasted for about four hours.

Malteser Albania volunteers participated in this prayer with different services, divided into three groups: First Aid team with a car, accompanying team during the procession, and the marketing team for meals and refreshments.
